

# Billy Holcomb 1069 Winter Ice Adventure

## Directions

Make your best route to Highway 395 to Trona Road (south of Ridgecrest & north of Kramer Junction) just south of Johannesburg, CA. Head North on Trona Road approximately 1.5 miles and turn right onto RM 1444 (graded dirt road). Follow RM 1444 approximately 1 mile to camp. ECV signs will be posted on Trona Road late Thursday afternoon. Clampsite is accessible to all vehicles, though oversize trailers are not recommended.

## Schedule

### Thursday-

Clampsite opens-signs posted

### Friday Trek-

Leaves camp at 1:00pm

Head Abbot's Surprise

### Saturday-

Check-in Opens at 7:00 AM

Drivers Meeting at 7:40 AM

Trek departs Camp at 8:03 AM

Use CB Channel 13

As trail conditions vary, the trek route may be changed at the discretion of the Head Abbot. The Head Abbot requests that all vehicles on trek need to be in good repair, especially brakes, tires and cooling systems. This trek is suitable for all types of 4x4 vehicles. Some desert pinstriping should be expected. All persons and vehicles on the Friday and Saturday trek remain with the group until released.
